## **ADMISSION INFORMATION**

### **OUR PHILOSOPHY OF ADMISSIONS**

We at **Jaikrish Vidhyashram CBSE School** aim to ensure that students not only excel at academics but also are imbued with social and ethical values, skills, and attitudes to contribute positively to society.

Therefore, the admission process is designed to test both aptitude and attitude. While the tests assess proficiency in English, Mathematics, and Hindi, they also reveal the child's problem-solving skills. Portions integrated into the admission process also examine the applicant's beliefs and value system on the basis of which he/she makes decisions and the way he/she handles and negotiates with the external world. Thus, our method of testing a student has been designed in such a way that we can look at him/her holistically.
